Dear Fellow Democrat,

On **Saturday, September 26th, from 3-5pm** the Ventura County Democratic Party will host the ***Virtual Kennedy Legacy Awards***. This annual event will celebrate and recognize with gratitude and honor Ventura County's finest Democratic activists and organizers. It will also serve as a key fundraiser to help the Ventura Democratic Party take back the White House and return our Democratic representatives to Washington and Sacramento, as well as secure our county supervisor seats, city councils, school boards, and other important local elections. Even with the limitations placed upon us by COVID-19, the Ventura County Democratic Party must continue to prepare for the upcoming election that will see us take over of the Senate and hold onto the House Majority. There are 34 Senate seats up in 2020, of which 22 are held by the GOP. Democrats need to gain four seats to take control. And of course, we must take back the Presidency. You can help!

This year's ***Virtual Kennedy Legacy Awards*** fundraising event will honor retiring State Senator Hannah-Beth Jackson and lifelong Democratic activist Penny Strowger, as well as Ventura County's outstanding Democrats and organizations. As always, our elected Democratic representatives, candidates and county activists will participate.

As a sponsor, you will be recognized during our event, highlighted on digital social media feeds and in the virtual agenda/program. The funds raised will ensure fulfillment of our mission: To elect Democrats in Ventura County. Past efforts have changed the political landscape of our county. Please show your support by choosing one of the many available donation options. This year is critical to the future of Ventura County, California, and the Nation.

Thanks to your generous financial support, the efforts of countless local volunteers and the drive of our candidates, WE WILL WIN in 2020!

Sincerely,
Melissa DeMarco
